Organization Name	Description	Street Address	City	Zip	Website	Phone
Contract Manufacturers						
A.J. Rose Manufacturing Company	Contract manufacturer offering metal stamping to clients in automotive, medical, energy, commercial, industrial, and defense industries.	38000 Chester Road	Avon	44011	www.ajrose.com	440-934-7700
Asahi Intecc USA	Certified manufacturer of precision medical components, including ACTONE flexible metal hypotube, motor-driven drive cables and multiplex torque coils, miniature coils and wires, guidewires, stylet wires, and braid-reinforced catheter tubing.	10000 Cedar Ave.	Cleveland	44106	http://www.asahi-inteccusa.com/index.php	612-670-6928
Astro Manufacturing & Design	Custom contract manufacturer offering a wide variety of precision machining capabilities that serve medical and other industries.	34459 Curtis Boulevard	Eastlake	44095	http://www.astromfg.com/	440-946-8171
Automated Packaging Systems, Inc.	Manufactures bagging and sealing machines and packaging materials for use in a variety of industries, including medical devices and pharmaceuticals.	10175 Philipp Parkway	Streetsboro	44241	www.autobag.com	1-330-342-2400
Bedell-Kraus Rubber Molding Company	Manufactures rubber products for a variety of industries.	1350 Commerce Drive	Stow	44224	www.bedellkraus.com	330-688-4881
Cellular Technology, Ltd.	Contract research company and a developer of high-throughput cellular image analysis instrumentation.	20521 Chagrin Boulevard	Shaker Heights	44122	www.immunospot.com	216-791-5084
Cletronics, Inc.	Designs and manufactures ultra-high quality deflection coils for medical equipment manufacturers and other industries. Contract manufacturer of custom wound electronic components specializing in transformers, inductors, chokes, deflection coils, stators, toroidal coils, specialty coils and higher level assemblies.	2262 Port Centre	Medina	44256	http://www.cletronics.com/	330-239-2002

CO-AX Technology, Inc.	Electronic contract manufacturing services company that manufactures printed circuit boards, cable assemblies and control enclosures/panels for use in medical equipment and other industries.	30301 Emerald Valley Parkway	Solon	44139	www.coaxinc.com	440-914-9200
Combi Packaging Systems, LLC	Designs, manufactures and installs packaging equipment for many industries, including pharmaceutical and medical device manufacturers.	5365 East Center Drive NE	Canton	44721	www.combi.com	800-521-9072
Command Plastic Corporation	Provides contract packaging and fulfillment services.	124 West Avenue	Tallmadge	44278	www.commandplastic.com	800-321-8001
Connecticut Reserve Technologies, Inc.	Contract engineering firm working with clients in the civil engineering, mechanical engineering, information technology and engineering mechanics fields.	P.O. Box 668	Gates Mills	44040	www.crtechnologies.com	216-241-9788
Criterion Tool/Criterion Instrument	Precision machine shop specializing in close tolerance Swiss Turning, CNC Turning and CNC Milling of precision components from prototype through production quantities. Provides services to a variety of industries including medical.	5349 West 161st Street	Brook Park	44142	www.criteriontool.com	216-267-1733
Custom Rubber Corporation	Produces products for customers in many industries including medical device manufacturing; products include non-implantable rubber medical handles and grips, medical seals, protective covers, and more.	1274 East 55th Street	Cleveland	44103	www.customrubbercorp.com	216-391-2928
DCD Technologies, Inc.	Designs and manufactures die cast dies, forging dies, ceramic, plastic and permanent molds for a variety of applications, including medical.	17920 South Waterloo Road	Cleveland	44119	www.dcdtech.com	216-481-0056

DEM Manufacturing, Inc.	Contract manufacturer serving clients in consumer, medical, and industrial markets; services include prototyping, custom tooling, overmolding for custom cable and connector production, silicone and rubber gasket molding, metal stamping and fabrication, and in-house paint application.	10357 Kinsman Road	Newbury	44065	www.dem-mfg.com	440-564-7160
Die-Matic Corporation	Contract manufacturer offering in-house tool and die capability, metal stamping up to 1,000 tons, value added assemblies, secondary operations, engineering support and tooling takeover programs.	201 Eastview Drive	Brooklyn Heights	44131	www.die-matic.com	216-749-4656
DMZ/TIMCO Machine Company	Manufactures precision components for the aerospace, medical, and commercial industries.	35530 Lakeland Boulevard	Eastlake	44095	www.dmztimco.com	440-942-4001
Elyria Plastic Products	Complete supplier of injection molded parts.	710 TAYLOR ST.	ELYRIA	44035	http://www.elyriapp.com/index.html	440-322-8577
General Precision Corporation	Machine shop specializing in complex shapes, small or miniature precision machining, prototypes and unusual materials. Prototypes for surgical equipment.	4553 Beidler Road	Willoughby	44094	www.generalprecisioncorp.com	440-951-9380
Hy-Production, Inc.	Contract manufacturer producing highly complex medical devices.	6000 Grafton Road	Valley City	44280	www.hy-production.com	330-273-2400
Kent Adhesive Products Company	Custom coater and converter of flexible pressure-sensitive materials. Serving a variety of industries including medical.	1000 Cherry Street	Kent	44240	https://www.kapco.com	330-678-1626
Killian Latex Inc./ Kiltex Corporation	Providing custom compounds and superior dipped goods.	2064 Killian Rd	Akron	44312	http://www.killianlatex.com/services.html	330-644-6746
Libra Industries, Inc.	Offers electronic manufacturing services to OEM manufacturers dealing with complex manufacturing requirements in industries including industrial automation, medical, instrumentation and computer communications.	7770 Division Drive	Mentor	44060	www.libraind.com	440-974-7770

Matplus, LLC	Manufacturer of high quality and cost effective foam products.	76 Burton St	Painesville	44077	http://www.matplusinc.com/	440-352-7201
Metron Instruments, Inc.	Provides analytical measurement technology to companies and institutions in the dairy, medical, automotive, and technology sectors.	23103 Miles Road	Cleveland	44128	http://www.metroninstruments.com/	216-332-0592
Mika Metal Fabricating Company	Provider of metal fabrication services.	4530 Hamann Pkwy	Willoughby	44094	http://www.metalfabricatorsinc.net/	440-951-5500
Nogah/Rubin Engineering	Engineering and production company that designs and manufactures specialized process machinery for the biotech, plastics, polymers, and automotive industries.	1800 London Road	Cleveland	44112	www.rubinengineering.com	216-738-1730
PAC Machinery	Manufactures bagging systems, shrink systems and heat sealing packaging equipment.	775 Berea Industrial Parkway	Berea	44017	http://www.pacmachinery.com/	216-267-1911
ParkOhio Products, Inc.	Provides high quality low cost rubber, silicone, and plastic molded componenets, systems and solutions to the automotive, industrial, commercial, medical, electronic, and consumer markets.	7000 Denison Avenue	Cleveland	44102	www.parkohioproducts.com	216-961-7200
PM Machine	Full-service medical device contract manufacturing partner.	38205 Western Parkway	Willoughby	44094	www.pm-mach.com	440-942-6537
Ravizza	Manufactures small bagging machines for companies primarily in the automotive, health care, and food and beverage industries.	526 S. Main St.	Akron	44311	http://www.ravizzausa.com/	330-968-2880
RP+M (Rapid Prototype + Manufacturing, LLC)	Provides fused deposition modeling prototype services to small businesses, entrepreneurs, researchers and designers.	33490 Pin Oak Parkway	Avon Lake	44012	www.rpplum.com	440-930-2015
Slabe Machine Products Company	Precision manufacturer of machined products for many applications, including those for the medical industry.	4659 Hamann Parkway	Willoughby	44094	www.slabemachine.com	440-946-6555

Sparton Medical Systems, Inc.	Contract design, development, and manufacturing company specializing in complex laboratory instrumentation and electromechanical point-of-care devices.	22740 Lunn Road	Strongsville	44149	www.sparton.com	440-878-4630
STACI Corporation(Vexos)	Electronics contract manufacturer serving the medical, communications, technology, and industrial sectors, including medical devices and equipment in the areas of home care bed controls, MRI, CT, nuclear, blood analysis, x-ray, medical imaging printers and medical telemetry.	110 Commerce Drive	LaGrange	44050	www.inservco.com	800-888-9180
Tendon Manufacturing, Inc.	Metal fabrication company serving a variety of industries including test and measurement, networking, aerospace, medical, and a variety of industrial customers.	20805 Aurora Road	Cleveland	44146	www.tendon.com	216-663-3200
Tessa Precision Products, Inc.	Machine shop working with customers in military, aerospace, consumer goods and other industries, including medical products.	850 Callendar Blvd.	Painesville	44077	http://www.tessaprecision.com/	440-392-3470
Thogus Products Company/Jalex Medical	Thogus offers custom plastic injection molder specializing in metal replacement solutions, tube and hose fittings, and tight tolerance molding. Jalex offers medical device design, regulatory affairs and quality system services.	33490 Pin Oak Parkway	Avon Lake	44012	www.thogus.com	440-933-8850
Trexler Rubber Company	Manufactures molded and dipped products using latex, polyurethane and polyvinyl chlorides for medical, dental, veterinary and industrial uses; products related to the medical industry include colostomy bags, catheters, tubing, breather bags, bellows, bladders, and pads.	503 North Diamond Street	Ravenna	44266	http://www.trexlerubber.com/	330-296-9677
Troy Innovative Instruments, Inc.	Offers prototyping and production manufacturing with a specialty in orthopedic disciplines – trauma, sports medicine, small bone and extremity.	15111 White Road	Middlefield	44062	http://troyinnovative.com	440-834-9567

Troy Manufacturing	Full-service precision manufacturing facility offering contract manufacturing of surgical instruments and precision components for medical devices and equipment.	17090 Rapids Road	Burton	44021	www.troy-mfg.com	440-834-8262
TT Electronics IMS, Inc.	Offers complete design to manufacture solutions for electronics manufacturing for medical devices and other applications.	3700 Lane Road	Perry	44081	www.ttelectronics-ims.com	440-352-8961
Valtronic Technologies (USA), Inc.	Partners with companies to develop and produce entire devices ranging from microelectronics and mechanical parts to complex systems.	29200 Fountain Parkway	Solon	44139	http://www.valtronic.com/	440-349-1239
Wrape Tite	Manufactures and sources flexible packaging solutions and poly bags covering a wide range of applications.	6200 Cochran Rd	Solon	44139	http://www.wraptite.com/default.aspx?Page=Home	440-349-5400
Wyman-Gordon Forging Company, Inc.	Contract manufacturer of forged products for aerospace, fluid component, medical, nuclear, chemical, semiconductor, transportation and commercial markets.	3097 East 61st Street	Cleveland	44127	www.wyman-gordon.com	216-341-0085

Distributors

3 Z's Instruments, LLC	Distributor of laboratory and science products, serving the educational, medical market and industrial sectors.	2485 Waynewood Drive	Fowler	44418	www.3zslc.com	800-247-2726
Advacare Systems	Medical equipment distributor, offering a wide variety of products designed specifically for hospice, home care, rehabilitation, long-term care facilities and hospitals.	1789 E. 45th Street	Cleveland	44103	www.advacaresystems.com	877-884-5331

Alltech Medical Systems America	Designs, manufactures, and distributes medical diagnostic MRI products.	28900 Fountain Parkway	Solon	44139	http://www.alltechmedusa.com/	440-424-2240
Anatomical Concepts, Inc.	Manufacturer and supplier of quality custom-fit, custom-made orthoses.	1399 E. Western Reserve Road	Poland	44514	http://www.anatomicalconceptsinc.com/	800-837-3888
Apollo Medical Devices	Developing a single-drop, low-cost point-of-care blood analyzer system.	11000 Cedar Avenue	Cleveland	44106	http://www.apollomedicaldevices.com/#company	N/A
Applied Medical Technology, Inc.	Develops and manufactures medical and surgical products with a special emphasis on gastronomy devices.	8006 Katherine Boulevard	Brecksville	44141	www.appliedmedical.net	800-869-7382
BioInvision	Develops equipment and software to monitor biodistribution of labeled proteins or cells.	781 Beta Dr. Ste E	Cleveland	44143	http://www.bioinvision.com/	216-373-1500
Bio-Medical Instrument Company	Manufactures the Bio-Thesiometer, an instrument designed to simply and accurately measure the threshold of appreciation of vibration in human subjects.	15764 Munn Road	Newbury	44065	www.biothesiometer.com	440-564-5450
Biorex Labs, LLC	Offers in vitro diagnostic tests, such as those commonly used in microbiology and clinical laboratories.	8474 Wyatt Road	Cleveland	44147	http://biorexlabs.com/	440-824-3000
Body Phyx International, Inc.	Develops an automated patient treatment machine that is designed to reduce or eliminate pain related scar tissue formed inside nerve sleeves.	20370 Lorain Road	Fairview Park	44126	www.bodyphyxinternational.com	440-356-3213
BrainMaster Technologies, Inc.	Produces low-cost, effective electroencephalographic brainwave monitoring and analysis systems.	195 Willis Street	Bedford	44146	www.brainmaster.com	440-232-6000

CardioInsight Technologies, Inc./ Medtronic	Commercializes patented electrocardiographic imaging technology.	11000 Cedar Avenue	Cleveland	44106	www.cardioinsight.com	216-453-5950
Centerline Biomedical	Developer of an innovative system to navigate catheters and guide wires in the 3D anatomy of vascular disease patients.	10000 Cedar Avenue	Cleveland	44106	http://www.centerlinebiomedical.com/	216-445-0830
ChanTest, Inc.(Charles River)	Developed the world's most complete library of validated human ion channel-expressing cell lines to serve all the ion channel needs of its pharmaceutical and biotech customers.	14656 Neo Parkway	Cleveland	44128	http://www.chantest.com/	216-332-1665
Cleveland Diagnostics	Developing a technology to discover a new class of diagnostics tests with high sensitivity and specificity for many cancers.	3615 Superior Avenue	Cleveland	44114	http://www.cleveland-diagnostics.com/	216-432-2700
Cleveland Heart, Inc.	Develops advancements in artificial heart technologies.	10000 Cedar Avenue, Suite 4	Cleveland	44106	www.clevelandheart.com	216-444-5322
Cleveland HeartLab, LLC	Focuses on novel molecular biomarker technologies and the creation of proprietary diagnostic tests.	6701 Carnegie Avenue, Suite 500	Cleveland	44103	http://clevelandheartlab.com/	866-358-9828
CoAg Company	Develops a medical device used to stop nose bleeds, primarily formulated for anticoagulated patients.	N/A	Chagrin Falls	44022	N/A	N/A
CorCandence	Specializing in the development of cardiovascular devices and related technologies.	1768 E. 25th Street	Cleveland	44114	http://www.corcadence.com/	216-391-5080
Cormetrics	Developer of sensor-based interventional devices for the cardiology market.	26701 Bernwood Rd	Beachwood	44122	http://www.cormetrics.net/	N/A
Cryothermic Systems	Develops applications for mild hypothermia in selectively cooling the brain during traumatic instances of sudden cardiac arrest, stroke and traumatic brain injury.	9100 South Hills Blvd.	Cleveland	44147	www.cryothermicsystems.com	440-546-7120

Crystal Diagnostics	Develops and commercializes novel liquid crystal technology to detect pathogens in liquids.	1950 OH-59	Kent	44240	http://www.crystaldiagnosics.com/	330-474-0228
Daylight Medical, Inc.	Provides medical equipment and supplies, specializing in devices used by clinicians to disinfect and prevent hospital-acquired infections.	17991 Englewood Drive	Middleburg Heights	44130	www.daylightmedical.com	800-459-8500
DC Surgical Solutions, LLC	Designs and manufactures products for use in the operating room.	3962 Hedgewood Drive	Medina	44256	www.dcsurgicalsolutions.com	888-529-5594
Dentronix, Inc. (coltene Whaledent, Inc.)	Produces products for the orthodontic industry.	235 Ascot Parkway	Cuyahoga Falls	44223	http://www.dentronix.com/	800-523-5944
Earthwalk Orthotics, Inc.	Manufacturer of prescription orthoses.	500 Vista Avenue SE	Massillon	44646	http://www.earthwalkorthotics.com	888-492-8393
Enspire dbs	Developing a deep brain stimulation system that would enhance and expedite strength rehabilitation of after stroke.	35 River St. Suite 14	Cleveland	44022	http://enspiredbs.com/	216-444-1179
EP Technologies	Develops atmospheric, non-thermal plasma technology for application to biological interfaces such as skin and tissue treatment, surface sanitizing, and material modification for improved biocompatibility.	520 S. Main Street	Akron	44311	http://ep-technologies.com/	N/A
Exsurco Medical, Inc.	Medical equipment manufacturing company offering products for tissue processing and bone debridement applications.	10804 Green Road	Birmingham	44889	http://www.exsurco.com/	800-243-6049
FabOhio, Inc.	Manufactures flexible film materials for use in a variety of containment applications, such as glove bags, tableting and capsule filling containment, tray linings, dust and particle containment, flexible sleeves, mixing area containment films, and more.	521 East 7th Street	Uhrichsville	44683	www.fabohio.com	740-922-4233

FareTec, Inc.	Manufactures a wide range of medical equipment for fracture, rehabilitation, emergency response, sports medicine, temperature sensitive transportation and orthopedic applications.	1610 West Jackson Street	Painesville	44077	www.faretec.com	440-350-9510
Fluke Biomedical, LLC	Manufacturer of biomedical tests and simulation products, including electrical safety testers, patient simulators, performance analyzers, and fully-integrated and automated performance testing and documentation systems.	6045 Cochran Rd	Cleveland	44139	http://www.flukebiomedical.com/biomedical/usen/Home/default.htm	440-248-9300
FMI Technologies, Inc.	Develops ultra high resolution diagnostic imaging technology that can be combined with drugs and molecular tracers for early detection and monitoring of neurodegenerative disorders such as Alzheimer's disease.	29001 Solon Rd	Solon	44139	http://www.fmimaging.com/	440-600-5952
Forbes Rehab Services, Inc.	Provides cutting edge assistive technologies to individuals with all levels of disabilities, such as communication devices, adaptive computer access, custom mounting solutions, environmental control systems, and custom adaptive accessories.	49 South Illinois Avenue	Mansfield	44905	www.frs-solutions.com	888-884-2190
Freedom Meditech, Inc.	Focuses on the in-licensing, development and commercialization of novel technologies for the management of diabetes and non-invasive glucose measurement.	1768 East 25th Street	Cleveland	44114	www.freedom-meditech.com	858-638-1433
Friedrich Daniels USA	Manufactures surgical instruments for artificial disc replacement, compression and distraction techniques, spinal cages and ramps, small bone and joint repair, plif and alif techniques.	9815 Lost Lakes Trail	Chagrin Falls	44023	www.friedrich-daniels.com	440-543-0691

Gebauer Company	Manufacturer and consulting firm; produces patient comfort products such as skin refrigerants and topical anesthetics.	4444 East 153rd Street	Cleveland	44128	www.gebauer.com	216-581-3030
GLC Biotechnology, Inc.	Develops molecular cancer diagnostic tests that address the most pressing challenges in the early cancer detection.	8285 Darrow Road STE 101	Twinsburg	44087	www.glcbiotech.com	330-405-0858
Great Lakes Neurotechnologies	Manufactures bioinstrumentation products including physiological monitors and patient-centered diagnostic and therapy systems, integrated with wireless, remote and web-based applications.	10055 Sweet Valley Drive	Cleveland	44125	www.glneurotech.com	216-361-5410
Greatbatch Device Engineering Services	Designs and manufactures technologies in the fields of cardiac rhythm management and neuromodulation, vascular access, and orthopedics.	1771 East 30th Street	Cleveland	44114	www.greatbatchmedical.com	216-937-2800
Guardian Technologies	Improves the air quality with UV HEPA Air Purifiers.	26251 Bluestone Blvd.	Euclid	44132	http://www.guardiantechnologies.com/	866-603-5900
Health-Mor (Filterqueen)	Specializes in the manufacturing of the FilterQueen Indoor Air Quality System, a product used to remove both surface and airborne allergens, dirt and dust from home interiors.	13325 Darice Parkway	Strongsville	44149	www.filterqueen.com	800-344-1840
Hitachi Medical Systems America, Inc.	Supplier of medical imaging equipment.	1995 Summit Commerce Park	Twinsburg	44087	www.hitachimed.com	330-425-1313
Imalux Corporation	Develops Optical Coherence Tomography technology to allow physicians to visualize tissue microstructures in real time.	11000 Cedar Avenue	Cleveland	44106	www.imalux.com	216-502-0755
Infinite Arthroscopy	Developer of a wireless arthroscopic camera system.	3109 Mayfield Road	Cleveland Heights	44118	N/A	440-223-6294
Infuseon Therapeutics	Developer of a therapeutic delivery device.	10265 Carnegie	Cleveland	44106	http://www.infuseontherapeutics.com/	216-444-5757

Innovative Medical Equipment, LLC	Medical technology development company; the company is currently offering an over-the-counter heating and cooling therapy device for headache and migraine, and a transparent occlusive silicone dressing for facial laser resurfacing recovery.	29001 Cedar Road	Cleveland	44124	www.imeconcepts.com	877-646-1222
Intellirod Spine	Develops an implantable microelectronic spinal rod strain sensor.	554F White Pond Drive	Akron	44320	www.intellirodspine.com	234-678-8965
Ion-Vac	Developing novel wound healing technologies.	18678 Cranwood Pkwy	Warrensville Heights	44128	http://ivactech.com/	216-662-5158
Juzo USA Inc.	Manufacturer of compression garments.	3690 Zorn Drive	Cuyahoga Falls	44223	www.juzousa.com	330-923-4999
Leading Age Supplies	Provides medical supplies for the long-term and the home care market.	24700 Chagrin Blvd., Suite 104	Cleveland	44122	http://www.leadingagesupplies.com/	216-978-4424
Leimkuehler, Inc.	Provides full prosthetic and orthotic care.	4625 Detroit Avenue	Cleveland	44102	www.leimkuehlerinc.com	216-651-7788
LifeMedix	Developer of an ultra-portable rapid circulatory resuscitation device to help treat and prevent shock in the pre-hospital setting.	526 South Main St.	Akron	44311	http://lifemedix.com/	330-375-2173
LifeSaving Medical Solutions, LLC	Specializes in devices that allow physicians to perform video guided intubations.	526 South Main Street	Akron	44311	www.lsmsusa.com	234-678-6301
LifeServe Innovations	Manufactures a device for airway management.	unknown	Cleveland	44106	http://www.lifeserveinnovations.com/	none
Lucero Medical, LLC	Manufactures Enduramesh, which is indicated for use in the thoracolumbar spine to replace a diseased vertebral body resected or excised for the treatment of tumors, to achieve decompression of the spinal cord and neural tissues, and to restore the height of a collapsed vertebral body.	6100 Oak Tree Blvd.		44131	www.luceromedical.com	none

Lumitex, Inc.	Designs and manufactures innovative light delivery solutions for medical, electronics, industrial and other diverse applications.	8443 Dow Circle	Strongsville	44136	www.lumitex.com	440-243-8401
Lumoptik	Developed innovative precision guidance systems for medical devices utilizing its exclusive patent-pending Light Assisted Breach Assessment technology.	2700 West Park Blvd.	Shaker Heights	44120	http://www.lumoptik.com/	216-577-3905
Marlen Manufacturing & Development Company	Produces ostomy medical products, including products for ileostomy, colostomy and urostomy.	5150 Richmond Road	Bedford	44146	www.marlenmfg.com	216-292-7060
Maxill	Manufacturer of medical and hospital equipment.	500 W Main St	Cortland	44410	http://www.maxill.com/	330-637-1176
MedInvent	Manufacturer of the NasoNeb family of products, created to provide optimal intranasal drug delivery solutions.	1133 Medina Rd	Medina	44256	http://nasoneb.com/	330-247-0921
Mercury Biomed	Commercializing novel and proprietary technology to safely and effectively adjust and maintain a patient's core body temperature.	29001 Cedar Road	Cleveland	44124	http://www.mercurybiomed.com/	216-777-1492
Merlot OrthopediX	Developer of the Merlot bone anchor.	7740 Metric Drive	Mentor	44060	www.merlotorthopedix.com	440-266-8220
MH Eye Care	Provides the ultimate variety in post-op kits.	91 E Voris St.	Akron	44311	http://www.mheyecare.us/index.php?route=common/home	800-858-9395
Miach Medical Innovation, Inc.	Developed SMART-Tubes that assist in the placement of an endotracheal tube, monitoring the real time placement, and any edema in the airway.	12511 Fairhill Road	Cleveland	44120	http://www.miachmed.com/	N/A
Multi Radiance Medical, Inc.	Produces advanced medical phototherapy devices that use low dosage electromagnetic radiation, pulsed laser, visible red and infrared lights; applications include pain management, pain therapy and sports medicine.	6521 Davis Industrial Parkway	Solon	44139	www.multiradiance.com	440-542-0761

NanoVision Diagnostics	Commercializing a novel electro-optical cancer diagnostic system 1000 times more sensitive than an optical microscope.	6701 Carnegie Ave	Cleveland	44103	http://nanovisiondiagnostics.com/	724-719-9707
National Biological Corporation	Manufactures and distributes medical UV, UVA, UVB and Narrow Band UVB phototherapy equipment for the treatment of skin diseases. Provider of home UV light Phototherapy equipment and UV light Phototherapy systems for home, doctors' offices and clinics.	23700 Mercantile Road	Beachwood	44122	http://natbiocorp.com/	216-831-0600
Navage (Rhinosystems, Inc.)	Offers the Navage Nasal Hygiene System, a nasal irrigator that uses controlled suction to gently wash the nasal passages.	800 Resource Dr.	Brooklyn Heights	44131	www.navage.com	800-248-7550
NaviGate Cardiac Structures	Developing transcatheter solutions for the treatment of atrioventricular valve regurgitation.	10265 Carnegie	Cleveland	44106	http://www.navigatecsi.com/	216-444-5757
NDI Medical, LLC	Commercialization firm focusing exclusively on innovative neurodevice technologies such as stimulators, leads, surgical equipment and software .	22901 Millcreek Boulevard	Cleveland	44122	www.ndimedical.com	216-378-9106
NeoMed Technologies, Inc.	Develops a system to quickly and easily detect coronary artery disease.	3043 Superior Avenue	Cleveland	44114	www.neomedtechnologies.com	216-781-3535
Nervive	Develops a non-invasive medical device to emergently treat ischemic stroke that improves blood flow to the brain at the earliest opportunity.	526 S. Main St	Akron	44311	www.nervive.com	N/A
Neuros Medical, Inc.	Develops neurostimulation therapies for unmet patient needs worldwide. The company's Electrical Nerve Block is focused on elimination of chronic pain in a variety of applications including neuroma/residual limb pain.	35010 Chardon Road	Willoughby Hills	44094	www.neurosmedical.com	440-951-2565

NeuroWave Systems, Inc.	Designs and manufactures monitoring products using advanced electroencephalogram signal processing of brain waves and other biosignals for neurology, anesthesia, emergency medicine and psychiatry applications.	2490 Lee Boulevard	Cleveland Heights	44118	www.neurowavesystems.org	216-361-1591
Oasis Consumer Healthcare, LLC	Manufactures and distributes the Oasis brand of mouthwash.	812 Huron Road	Cleveland	44115	www.oasisdrymouth.com	888-936-2747
Oculatek, Inc.	Specializes in the development of ophthalmology devices for therapeutic and preventative applications.	1768 East 25th Street	Cleveland	44114	www.oculatek.com	330-554-6856
Ogenix Corporation	Manufactures the EpiFLO oxygen therapy system.	3401 Enterprise	Beachwood	44122	www.ogenix.net	216-839-0202
Orbital Research, Inc.	Develops medical micro-devices, MEMS and advanced controls for healthcare as well as technologies for other applications.	4415 Euclid Avenue	Cleveland	44103	www.orbitalresearch.com	216-649-0399
OsteoSymbionics, LLC	Develops and manufactures replacement skull bone implants for individuals that have been affected by illness or injury.	1768 East 25th Street	Cleveland	44114	www.osteosymbionics.com	877-881-6899
Pain Management Technologies, Inc.	Manufactures and imports advanced pain management products to assist in back pain, arthritic pain, muscle spasms, sciatic pain, sports injury and more.	1760 Wadsworth Rd	Akron	44320	www.paintechnology.com	330-564-0817
PediaLift	Manufacturer of the PediaLift Crib, a crib for parents with disabilities to independently manage their children without putting both their baby and themselves in danger.	475 Overlook Rd	Mansfield	44907	http://www.pedialift.com/	1-800-797-5696
Pediavascular Inc	Developed a series of 3 French angiography catheters, introducers and guide wires specifically for children.	7181 Chagrin Rd.	Chagrin Falls	44022	http://www.pediavascular.com/	216-236-5533

Pemco Medical, Inc.	Designs and manufactures precision surgical instruments, including custom perfusion systems, cardiopulmonary bypass equipment and anesthesia shields.	5663 Brecksville Road	Cleveland	44131	www.pemcomed.com	216-524-2990
Perfusion Solutions	Developer of small, high output ventricular assist devices enabling a full range of support across the continuum of cardiovascular care, from catheter pumps to chronic implants for partial to complete assist.	10265 Carnegie	Cleveland	44106	http://www.perfusionsolution.net/	866-661-5304
PeriTec Biosciences, LLC	Develops vascular and cardiovascular surgical devices, based on a hybrid technology that uses biology in combination with stents in a way which vastly reduces the likelihood of the adverse reactions that accompany other stents.	10000 Cedar Avenue	Cleveland	44126	www.peritecbio.com	216-870-1512
Perma Laboratories	Offers the Professional Denture Reline Kit.	120 Wakefield Run Blvd	Hinckley	44233	http://perma-laboratories.com/	330-674-7337
Pharmaco- Kinesis	A high technology medical device company that aims to optimize healing of the human body through proprietary local Smart Drug Delivery Systems and associated advanced devices to measure biological responses.	10000 Cedar Ave	Cleveland	44195	http://www.pharmaco-kinesis.com/	310-641-2700
Phillips Healthcare	Develops tools that deliver value throughout the complete cycle of care in key areas including cardiology, oncology, critical care, women's health, home healthcare, medical imaging, defibrillators, and clinical care.	595 Miner Dr.	Cleveland	44143	www.healthcare.philips.com	800-229-6417
Photonic Developments, LLC	Offers specialized glasses and lights designed to stimulate the production of melatonin and improve users' quality of sleep and general health.	20620 John Carroll Blvd.	University Heights	44118	www.lowbluelights.com	216-371-3033

Polar Products	Leading US manufacturer of body cooling and hot & cold therapy products.	3380 Cavalier Trl	Stow	44224	http://www.polarproducts.com/polarshop/pc/home.asp	330-253-9973
Polymer Concepts	Supplies high-end pressure relief XcelGel™ pads and positioners to the operating suites of hospitals across the world.	7555 TYLER BLVD STE 1	Mentor	44060	http://polymerconcept.com/	877-820-3163
Prestan Products, LLC	Develops and markets medical training goods, serving the needs of the emergency response and healthcare industries.	701 Beta Drive	Mayfield Village	44143	www.prestanproducts.com	800-434-7989
Prevent Biometrics	Developer of a head impact monitoring technology that detects potential concussion causing impacts in real time, delivering alerts to caregivers that identify athletes for assessment.	10265 Carnegie	Cleveland	44106	http://preventbiometrics.com/	216-444-5757
Proxy Biomedical, Inc.	Develops advanced soft tissue implants and minimally invasive delivery instrumentation using state-of-the-art, bio-compatible materials and processes.	7100 Euclid Avenue	Cleveland	44103	www.proxybiomedical.com	216-658-4101
Pulse Flow Technologies	Utilises cutting-edge wearable technology to combine two proven treatment strategies - offloading and intermittent pneumatic compression- to optimise wound healing in the diabetic foot.	34916 RIDGE RD	Willoughby	44094	http://www.pulse-flow.net/	440-946-6200
Quest Medical Imaging	Designs and manufactures cutting edge camera systems for medical applications ranging from fluorescent imaging to photodynamic therapy.	39 East Market Street	Akron	44311	http://www.quest-mi.com/	330-752-6596

Radiometer America, Inc.	Develops, manufactures and distributes critical care testing systems for blood gas, electrolytes and metabolites; offers complete laboratory and point of care solutions to the complex process of blood gas analysis through the use of innovative instrumentation, sampling products and information technology.	810 Sharon Drive	Westlake	44145	www.radiometeramerica.com	440-871-8900
Real Time Imaging Technologies, LLC	Develops an in-office real time imaging product platform based on fluoroscopic technology.	1768 East 25th Street	Cleveland	44114	www.realtimedentistry.com	267-979-9250
Rindex Medical	Developer of a diagnostic device that can predict the onset of atrial fibrillation before it occurs.	10265 Carnegie	Cleveland	44106	http://rindexmedical.com/	216-444-5757
RSB Spine, LLC	Designs and manufactures specialty spinal implant devices.	2530 Superior Avenue	Cleveland	44114	www.rsbspine.com	866-241-2104
Salttillo Corporation	Provides communication devices for people with adaptive living needs.	2143 Township Road 112	Millersburg	44654	www.salttillo.com	330-262-3193
ScottCare Corporation	Develops quality medical devices targeted toward patient monitoring, non-invasive cardiology therapy, and cardiopulmonary rehabilitation.	4791 West 150th Street	Cleveland	44135	http://scottcare.com/	216-362-0550
SDG	Developer of bio-nanotechnologies for use in drug delivery systems and in consumer product applications.	10000 Cedar Avenue	Cleveland	44106	http://sdgpharma.com/	216-444-7110
Securus	Developing clinical tools to monitor core body temperature within body cavities.	10000 Cedar Ave	Cleveland	44106	N/A	N/A

Sensor Development Corporation	Offers a diagnostic sensor for volatile breath biomarkers. This sensor targets the detection of pulmonary aspergillosis, a fungal infection affecting the lungs.	16651 Sprague Rd	Cleveland	44136	http://www.sendev.com/	440-234-3260
Smart Tools Plus Llc	Developer of a manual therapy approach to musculoskeletal injuries using specifically designed tools.	10602 Tudor Cir	North Royalton	44133	http://www.smarttoolsplus.com/	N/A
SPR Therapeutics, LLC	Develops a platform technology which utilizes peripheral nerve stimulation methods to treat a variety of different pain disorders.	22901 Millcreek Boulevard	Cleveland	44122	www.sprtherapeutics.com	216-378-9108
Sterionics, Inc.	Develops a portable sterilization device based on cold plasma generation technology, operating on the basis of air, gas, water or chemical compounds.	1768 East 25th Street	Cleveland	44114	www.sterionics.com	216-881-8521
STERIS Corporation	Manufactures products used to prevent infection and contamination in critical care environments; products include sterilization materials, cleaning supplies, packaging, and process equipment, surgical scrubs and hand hygiene products.	5960 Heisley Road	Mentor	44060	www.steris.com	440-354-2600
Summit Orthodontic Services	Provider of products to help run an orthodontic practice and/or lab.	343 Northmoreland Ave	Munroe Falls	44262	http://summit.devsiteonline.com/	800-321-9124
Surgical Theater, LLC	Designs a novel approach to medical simulation based on medical imagery and advanced modeling technology; the Surgery Rehearsal Platform is a real-time, patient specific, web-connected, virtual surgery theater.	781 Beta Drive	Mayfield Village	44143	www.surgicaltheater.net	216-452-2177

Synapse Biomedical, Inc.	Commercializes the NeuRx Diaphragm Pacing System, designed to produce electrical stimulation for the treatment of chronic respiratory insufficiency.	300 Artino Street	Oberlin	44074	www.synapsebiomedical.com	440-774-2488
Tatara Vascular	Develops flexible and intuitive coronary guide wires to facilitate the placement of stents or balloon dilatation catheters during coronary angioplasty procedures.	10265 Carnegie	Cleveland	44106	N/A	216-444-5757
Teraphysics Corporation	Develops a technology allowing for the generation of high mW, tunable terahertz radiation from a remarkably compact device; applications include medical technologies for cancer and disease detection, pharmaceutical quality control, completely safe medical imaging, and dermatological wrinkle removal.	110 Alpha Park	Cleveland	44143	http://teraphysics.com/	440-573-0008
The Walden Companies	Developer of urology and surgical tools based on physician-driven ideas. The company's product, the Relief Stent, is a ureteral stent with a suture separated pigtail, reducing reflux, encrustation, and trigone muscle irritation.	15 Shoreby Drive	Cleveland	44108	N/A	N/A
Thermedx, LLC	Medical device company focused on patient temperature management products.	31200 Solon Road	Solon	44139	www.thermedx.com	440-542-0883
Think-A-Move, Inc.	Develops innovative technology enabling hands-free device control and communications in noisy environments.	23307 Commerece park	Beachwood	44122	http://think-a-move.com/	216-765-8875
Thommen Medical USA, LLC	Produces the Swiss Precision Implant System, a completelpackage of instruments and implants for use in dental/oral surgery and tooth replacement.	1375 Euclid Avenue	Cleveland	44115	http://www.thommenmedical.com/	866-319-9800

Ureteral Stent Company	Develops and commercializes physician-driven urological medical device innovations.	15 Shoreby Drive	Cleveland	44108	N/A	N/A
Vectorious Medical Technologies	Developer of the Vectorious system, a minimally-invasive implanted device and external home unit that monitors congestive heart failure to increase patient quality of life and reduce admission rates.	10000 Cedar Ave	Cleveland	44106	http://vectoriousmedtech.com/	N/A
ViewRay, Inc	Emerging medical technology company with a unique medical imaging and cancer treatment system that combines magnetic resonance imaging and gamma ray radiotherapy.	2 Thermo Fisher Way	Oakwood Village	44146	www.viewray.com	440-703-3210
Virtec Enterprises, LLC	Offers product development, prototyping, and small scale production as well as mechanical, electronic, and embedded software development for medical devices.	546 Hoyt Street	Painesville	44077	http://virtecenterprises.com/	440-352-8970
Viscus Biologics	Developer and manufacturer of allograft and xenograft platforms that are unique in size, strength and biologic components. The company produces its proprietary products as well as providing custom product development for partners.	10000 Cedar Avenue	Cleveland	44106	http://www.viscusbiologics.com/	216-744-2740
Vista Research Group, LLC	Designs and manufactures water purification/treatment/filtration equipment and technology to improve the quality of water used in healthcare, industry and other settings.	P.O. Box 321	Ashland	44805	http://vistaresearchgroup.com/	419-281-3927
Volk Optical, Inc.	Designs and produces aspheric lenses for surgical procedures and treatment of the eye.	7893 Enterprise Drive	Mentor	44060	http://volk.com	440-942-6161
ZIMMER SURGICAL, INC.	Designs and creates innovative, personalized joint replacement technologies.	200 WEST OHIO AVE.	Dover	44622	http://www.zimmer.com/	330-343-8801

Zuga Medical, Inc.	Designs, manufactures, and markets dental implant products.	24400 Chagrin Boulevard	Beachwood	44122	www.zugamedical.com	216-292-5910
Suppliers						
A. Schulman, Inc.	Supplier and compounder of advanced plastics and resins.	3637 Ridgewood Road	Fairlawn	44333	www.aschulman.com	330-666-3751
Adams Automatic, Inc.	Contract manufacturer of screw machine products to customers in the electronics, medical, air tool, instrumentation, defense, and power coating industries.	26070 North Depot Street	Olmsted Falls	44138	www.adamsautomaticinc.com	800-899-1393
AESCO Electronics, Inc.	Contract manufacturer and distributor of electronics for customers in industries including medical instrumentation, military electronics, semiconductor instruments, industrial controls, and commercial products.	2230 Picton Parkway	Akron	44312	www.aesco.com	877-442-6987
Aetna Plating Company	Performs metal finishing and plating services such as descaling, chemical cleaning, passivation, pickling, and anodizing.	6511 Morgan Ave.	Cleveland	44127	www.aetnaplating.com	800-584-8055
Air Enterprises, Inc.	Designs, engineers, manufactures, and supports custom air handling systems for a variety of applications, including pharmaceutical production facilities.	735 Glaser Parkway	Akron	44306	www.airenterprises.com	330-794-9770
Air Products and Chemicals, Inc.	Provides a wide range of atmospheric gases, process and specialty gases, performance materials and related equipment and services.	2820 Quigley Rd.	Cleveland	44113	www.airproducts.com	216-781-2801
Airgas Great Lakes	Distributor of industrial, medical, specialty gases, and related hardware.	6055 Rockside Woods Blvd		44131	http://www.airgas.com/	216-642-6600
Akron Ascent Innovations	Developers and manufacturers of adhesive made from natural and synthetic fibers.	411 Wolf Ledges Pkwy	Akron	44311	http://www.akronascent.com/	330-972-7840

Akron Coating & Adhesives	Manufacturer of adhesives and coatings with medical industry applications.	365 Stanton Ave	Akron	44301	www.akroncoating.com	330-724-4716
Akron Polymer Systems, Inc.	Advanced polymer engineering company.	62 North Summit Street	Akron	44308	www.akronpolysys.com	234-678-8696
Akron Rubber Development Laboratory, Inc.	International laboratory dedicated to providing testing, development and problem solving services to all facets of the rubber and plastic industries.	2887 Gilchrist Road	Akron	44305	www.ardl.com	866-778-2735
Allied Tool & Die, Inc.	Metal stamping company that partners with customers, such as OEM medical device manufacturers, whose stamping requires extraordinary materials or manufacturing expertise.	16146 Puritas Ave.	Cleveland	44135	www.alliedtool-die.com	216-941-6196
Alloy Bellows and Precision Welding, Inc.	Designer and manufacturer of specialty metal components, including a heat exchange bellows for cardiovascular applications.	653 Miner Road	Cleveland	44143	www.alloybellows.com	440-684-3000
All-Tronics Medical Systems, Inc.	Produces teleradiology systems and accessories, as well as other imaging related systems.	3289 East 55th Street	Cleveland	44127	www.all-tronics.net	216-429-3000
Alpha Tool & Mold, Inc.	Custom mold fabricator, offering new mold fabrication, repairs and revision expertise; specializes in building precision injection molds for the medical industry.	83 Alpha Park	Highland Hts	44143	http://www.alphatoolandmold.com/	440-473-2343
AlphaMicron, Inc.	Develops liquid crystal technologies for controllable eyewear.	1950 State Route 59	Kent	44240	www.alphamicron.com	330-676-0648
Amerascrew, Inc.	Machine shop specializing in screw machined parts and components; medical product experience includes production of machined titanium parts for the dental industry.	653 Lida Street	Mansfield	44903	www.amerascrew.com	419-522-2232

American Engineering Group, LLC	Contract manufacturer and designer with capabilities in product development, industrial design, mechanical engineering, electronics hardware design, device-based software development and specialist prototyping.	934 Grant Street	Akron	44311	www.engineering-group.com	330-375-1975
American HomePatient, Inc.	Provider of respiratory and infusion therapy, enteral and parenteral nutrition services, respiratory diagnostic equipment, patient home medical equipment, and related supplies.	929 Ashland Road	Mansfield	44905	www.ahom.com	419-529-5454
Amerisochi, Inc.	Distributor of healthcare, safety, and laboratory products.	7923 Munson Road	Mentor	44060	www.amerisochi.com	440-257-9010
Ametek Technical & Industrial Products, Inc.	Supplier of brushed and brushless DC motors, pumps, controllers, and blower systems for many markets, including medical applications.	100 East Erie Street	Kent	44240	www.ametekip.com	330-673-3452
Apollo Manufacturing, LLC	Uses precision machining techniques, as well as prototype to production design capabilities, to manufacture high quality machined components.	7911 Enterprise Drive	Mentor	44060	www.apollo-mfg.com	440-951-9972
Applied Home Health Care Equipment	Distributor of oxygen therapy equipment and supplies to healthcare providers.	28825 Ranney Parkway	Westlake	44145	www.applied-inc.com	888-327-7301

Motion Mobility & Design, Inc.	Provides quality goods and services to physically challenged individuals to foster an active, independent lifestyle.	6490 Promler Street NW	Canton	44720	www.motionmobility.com	330-244-9723
MP Biomedicals, LLC	Designs and manufactures chemicals, materials and equipment for the manufacturing, biomedical, and life science industries.	29525 Fountain Parkway	Solon	44139	www.mpbio.com	800-854-0530
Myers Industries	Manufactures plastic and rubber products. Offers a broad range of products across multiple markets, including industrial, agriculture, food processing, healthcare, and consumer.	1293 South Main Street	Akron	44301	www.myersindustries.com	330-253-5592
Nanofilm	Designs and manufactures nanotechnology-based products including optically clear, thin coatings, self assembling nano layers, nanocomposites, and surfactant products.	10111 Sweet Valley Drive	Valley View	44125	www.nanofilmtechnology.com	216-447-1199

Nanotronics Imaging, LLC	Develops an automated inspection microscope which incorporates modern optics, motion control and image capture, combined with unique measurements, for use in industrial and medical applications.	2251 Front Street	Cuyahoga Falls	44221	www.nanotronicsimaging.com	330-926-9809
NCD Corporation	Provides medical diagnostic imaging systems and related services, including PACS, x-ray digitizing, data processing, document conversion/scanning, and healthcare and business automation solutions.	P.O. Box 5006	Willowick	44095	www.ncdcorp.com	440-953-4488
Neff-Perkins Company	Complete rubber and plastics production company specializing in compression and transfer molding for life science, medical and other applications.	16080 Industrial Parkway	Middlefield	44062	www.neffp.com	440-632-1658
Nook Industries	Manufactures inch and metric mechanical and electro-mechanical acutators, assemblies, components and linear motion slides and rails for biotech imaging, transportation lifts for hospitals and personal use, medical packaging systems and many more applications.	4950 East 49 Street	Cleveland	44125	www.nookindustries.com	216-271-7900
Nordson Life Science Group	Produces precision dispensing equipment that apply adhesives, sealants and coatings to a broad range of consumer and industrial products during manufacturing operations.	28601 Clemens Road	Westlake	44145	www.nordson.com	440-892-1580
North American Coating Labs	Produces and performs precision coatings for glass and plastic optical lenses.	9450 Pineneedle Drive	Mentor	44060	www.nacl.com	866-216-6225
NV BioSciences, LLC	Offers the rEZolution microscope image capture system, designed to produce high quality screen capture images with a minimum of effort.	526 South Main Street	Akron	44311	www.nichevision.com	866-840-3758
Ohio Carbon Blank, Inc.	Provides materials and machined graphite products to makers of medical, aerospace, and electronic products.	38403 Pelton Road	Willoughby	44094	www.ohiocarbonblank.com	440-953-9302

Ohio Foam Corporation	Fabricates flexible foam products for the transportation, furniture, and medical industries.	PO Box 208	Bucyrus	44820	www.ohiofoam.com	330-799-4553
O'Keefe Electronics, Inc.	Specializes in providing custom electronic monitoring, diagnostics, and control systems; assists with circuit design, software development, mechanical design, and PCB assembly.	47585 Peck Wadsworth Road	Wellington	44090	www.okeefe-electronics.com	440-647-5193
OM Group, Inc.(Vectra)	Develops value-added specialty chemicals and advanced materials that are essential to complex chemical and industrial processes.	811 Sharron	Westlake	44145	www.omgi.com	800-519-0083
Ovation Polymers	Designs and manufactures performance polymer compounds, coatings and additives as well as offering polymer toll compounding services. The company's products are used in medical devices as well as other applications.	1030 West Smith Road	Medina	44256	www.opteminc.com	330-723-5686
Oxyrase, Inc.	Manufactures and distributes a patented biocatalyst that selectively and specifically removes oxygen by reducing it to water.	3000 Park Avenue West	Mansfield	44906	www.oxyrase.com	419-589-8800
Paarlo Plastics, Inc.	Quality, custom blow molder and injection molder of standard and engineering grade thermoplastic products.	7720 Tim Avenue NW	Canton	44720	www.paarloplastics.com	330-494-3798
Pannam Imaging	Designs and develops customized membrane switches used in applications that demand the highest level of integration, execution and reliability.	18531 South Miles Road	Cleveland	44128	www.pannam.com	216-475-6704
Parker Hannifin	Offers products and systems covering a range of life science applications in motion, control and manufacturing.	6035 Parkland Boulevard	Cleveland	44124	www.parker.com	216-896-3000
PerkinElmer Genetic Screening Technical Center	Develops, manufactures, and distributes isoelectric focusing electrophoresis gels and accompanying scanning systems, a diabetic monitoring assay, and neonatal chemistry assays for inborn errors of metabolism.	520 South Main Street	Akron	44311	www.perkinelmer.com	330-825-4525

Pharmacy-Lite Prescription Packaging	Manufactures vials, bottles and other packages for use by pharmacists in dispensing liquid and solid medications.	250 Warden Avenue	Elyria	44035	www.pharmacylite.com	800-935-5483
Plexar Imaging	Designs and develops software products for biomedical companies on a contract basis.	3120 Belvoir Blvd.	Shaker Heights	44122	http://www.plexar.com/	216-921-1800
PolyTech Synergies, LLC	Technology and business development company specializing in dip molded products and techniques for a variety of industries including medical products.	84 Deer Valley Drive	Clinton	44216	www.polytechsynergies.com	330-618-7035
Precise Biomedical, Inc.	Distributes new and pre-owned medical equipment.	2915 Brookpark Road	Parma	44134	www.precisebiomedical.com	866-772-6011
Precision Made Products	Metal injection molding company specializing in the use of high quality metals and alloys to produce intricate metal parts and components for medical, aerospace, defense and consumer goods' applications.	1126 Industrial Parkway	Brunswick	44212	www.pmp-tech.com	330-220-5800
Prentke Romich Company	Manufactures electronic equipment for communication enhancement and assistance, such as speech assistive devices for the disabled.	1022 Heyl Road	Wooster	44691	www.prentrom.com	800-262-1990
Primeline Industries	Produces natural latex tubing through a continuous dip process.	4083 Embassy Parkway	Akron	44333	www.primelineindustries.com	330-668-6555
Prince & Izant Company	Metal joining manufacturer offering a complete line of high quality brazing and soldering products.	12999 Plaza Drive	Cleveland	44130	www.princeizant.com	216-362-7000
Profile Plastics, Inc.	Custom plastic extruder capable of producing a wide variety of materials and shapes; offers design assistance, various fabrication operations, custom packaging and labeling, inventory management and a number of other secondary sources.	1226 Prospect Avenue	Canton	44706	www.profileplastics.com	800-252-6458

Qualiform, Inc.	Specializes in the molding of a wide range of elastomers from natural rubber to silicone using a variety of processes including injection, compression and transfer molding as well as rubber to metal bonding.	689 Weber Drive	Wadsworth	44281	www.qualiformrubbermolding.com	330-336-6777
Quality ElectroDynamics LLC (QED)	Designs and manufactures MRI radiofrequency hardware.	700 Beta Drive	Mayfield Village	44143	www.qualifiedyn.com	440-638-5106
Quartz Scientific, Inc.	Manufactures high-quality, fused quartz products that range from simple evaporating dishes and watch glasses to a large, complex laboratory apparatus.	819 East Street	Fairport Harbor	44077	www.qsiquartz.com	440-354-2186
Qure Medical	Offers medical material development, wasteless/flashless transfer molding, HCR injection molding, liquid silicone molding, and silicone tube extrusion.	1700 Highland Road	Twinsburg	44087	www.quire-medical.com	330-425-8352
Rable Machine, Inc.	Maker of precision machined parts and assemblies.	30 Paragon Parkway	Mansfield	44903	www.rablemachineinc.com	419-525-2255
RBB Systems, Inc.	Specializes in the assembly and testing of small batches of custom electronic assemblies, wiring and cable harnesses, full box builds and control systems for OEMs and other electronic designers.	4265-C East Lincoln Way	Wooster	44691	www.rbbsystems.com	330-567-2906
Remington Products Company	Contract manufacturer and designer of cushioning products made from a variety of open and closed cell polyurethane foams, elastomeric gels, fabric and leather topcoverings, and pressure sensitive adhesives.	961 Seville Road	Wadsworth	44281	www.remprod.com	800-491-1571
Rhenium Alloys, Inc.	Manufactures refractory metals and specialty fabricated products.	38683 Taylor Parkway	North Ridgeville	44035	www.rhenium.com	440-365-7388

Robin Industries, Inc.	Manufactures rubber products, components and parts for many major industries; medical equipment components include silicone seals, diaphragms, syringe tips, valves, introducer ports and more.	6500 Rockside Road		44131	http://robin-industries.com/	216-631-7000
Roscoe Medical, Inc.	Manufactures and distributes home medical equipment products and replacement parts, including bath safety parts, medical gas equipment, wheelchairs, home care beds, accessories, and more.	6753 Engle Road	Middleburg Heights	44130	http://roscoemedical.com/	440-572-1962
Rultract, Inc.	Offers high quality surgical retractor systems that provide a gentle, uniform lift allowing for maximum exposure coupled with ease of set-up and operation.	5663 Brecksville Road	Cleveland	44131	http://www.rultract.net/	330-856-9808
Saint-Gobain Crystals	Designs and manufactures scintillation materials, assemblies and instruments used in radiation detection and measurement, including medical imaging systems, health physics. Performance Plastics site in Akron extrudes thermoplastic elastomer products for the pharmaceutical industry.	17900 Great Lakes Parkway	Hiram	44234	http://www.detectors.saint-gobain.com/	440-834-5600
Sajar Plastics, LLC	Custom injection molder for the OEM market, specializing in large cosmetic panels, as well as smaller complex parts; includes componenets for medical equipment manufacturers.	15285 South State Avenue	Middlefield	44062	http://sajarplastics.com/	440-632-5203
Sancap Liner Technology, Inc.	Produces products that protect a wide array of food, pharmaceutical, chemical, and cosmetic products; provides a full range of heat seal, pressure sensitive and gasket sealing products, including paper, foil and foam.	16125 Armour Street NE	Alliance	44601	http://sancapliner.com/	330-821-1166

Sawyer Technical Materials, LLC	Manufactures specialized raw materials for electronic end-use in many markets through the use of hydrothermic synthesis; materials are used in dialysis machines, pacemakers, toxic air sensors, medical instruments, lasers and optics.	35400 Lakeland Blvd.	Eastlake	44095	www.sawyerllc.com	440-951-8770
SCI Suarez Corporation Industries	Offers a variety of products targeted to individuals with arthritis, bursitis, tendonitis, strains or injuries; also produces weight management products, therapeutic heating pads, home heating devices, air purification products, shoe inserts, neck massagers, and fall prevention safety products.	7800 Whipple Avenue NW	North Canton	44720	www.suarez.com	330-494-5504
Securus Medical Group	Develops clinical tools to monitor core body temperature within body cavities.	N/A	Cleveland	N/A	N/A	N/A
SGS Tool Company	Produces solid carbide cutting tools including drills, endmills, burs, as well as having a strong presence in the medical market, focusing on orthopedics.	55 South Main Street	Munroe Falls	44262	www.sgstool.com	330-688-6667
Shin-Etsu Silicones of America	Manufactures silicone rubber for the healthcare industry.	1150 Damar Drive	Akron	44305	http://www.shinetsusilicones.com/	800-544-1745
Smithers Medical Products, Inc.	Manufactures a versatile patient immobilization and comfort system for use by oncologists during complex cancer treatment programs.	4850 Hossler Dr NW	North Canton	44720	www.smithersmedicalproducts.com	330-497-0690
SNS Nano Fiber Technology, LLC	Produces nanofiber matrices; applications include wound care products, surgical masks, drug delivery, tissue engineering, protective garments, decontaminant wipes, and personal care products.	5633 Hudson Industrial Parkway	Hudson	44236	www.snsnano.com	330-655-0030
Sonogage, Inc.	Provides advanced ultrasonic pachometry instrumentation.	26650 Renaissance Parkway	Cleveland	44128	www.sonogage.com	1-800-798-1119

Sorbothane, Inc.	Manufactures a unique visco-elastic polymer called Sorbothane; applications include shock absorbing insoles for the athletic and orthopedic markets; protecting medical devices, components and LCD displays against shock and vibration damage.	2144 State Route 59	Kent	44240	http://sorbothane.com/	330-678-9444
Spring Team, Inc.	Contract manufacturer of compression springs, extension springs, torsion springs, and is also capable in a wide variety of wire forms and clips.	2851 Industrial Park Drive	Austinburg	44010	www.springteam.com	440-275-5981
Stretcher Pad Co.	Manufactures OEM and replacement pads for hospital stretchers and operating room tables.	580 Liverpool Drive	Valley City	44280	http://stretcherpads.com/	877-445-4470
Summers Rubber Company	Manufactures industrial hose products, including components, fittings and accessories for use in a variety of markets including pharmaceutical, food and beverage.	12555 Berea Road	Cleveland	44111	www.summersrubber.com	844-772-4673
Summit Glove, Inc.	Supplies high quality gloves for medical, laboratory and other applications.	310 South Grant Street	Minerva	44657	www.summitglove.com	330-868-0066
Superior Precision Eyewear for Children Who Are Special, Inc.	Sells specialty eyewear designed for children with Down syndrome.	14585 E. Park Street	Burton	44021	www.specs4us.com	800-586-1885
Superior Products, Inc.	Manufactures and provides logistics for a complete line of gas management systems, compressed gas fittings, assemblies and manifolds for the alternative fuel, welding, cryogenic, medical and specialty gas markets throughout the world.	3786 Ridge Road	Cleveland	44144	http://superiorprod.com/	216-651-9400
Swagelok Company	Manufactures an extensive line of high quality metal and polymer based components for fluid management systems, including biopharmaceutical and analytical applications.	31200 Diamond Parkway	Solon	44139	http://www.swagelok.com/	440-248-6515

Tech Industries, Inc.	Contract manufacturer of surgical implants and medical parts.	1313 Washington Avenue	Cleveland	44113	http://tech-ind.com/	216-861-7337
Technical Glass Products, Inc.	Fabricates fused quartz glassware and microscope slides for laboratory and other purposes.	881 Callendar Boulevard	Painesville	44077	www.technicalglass.com	440-639-6399
Timken Company	Manufactures specialty engineered components for many industries, including medical devices and equipment.	4500 Mount Pleasant NW	North Canton	44720	www.timken.com	234-262-3000
Torex	Manufactures and distributes hot and cold therapy devices.	395 Geneva Ave	Tallmadge	44278	www.torexhealth.com	317-517-6152
Tradex International, Inc.	Manufactures disposable gloves for medical, industrial and general consumer use.	5300 Tradex Parkway	Cleveland	44102	www.tradexgloves.com	800-456-8370
Trilogy Plastics, Inc.	Rotational molder specializing in custom plastic molding with expertise in plastic conversions and plastics designs.	2290 West Main Street	Alliance	44601	www.trilogyplastics.com	330-821-4700
Tri-Tech Medical, Inc.	Manufactures high quality medical gas piping equipment for use in gas delivery/pipeline, building materials/architectural, and respiratory applications.	35401 Avon Commerce Parkway	Avon	44011	http://tri-techmedical.com/	440-937-6244
United Titanium, Inc.	Manufacturer of titanium fasteners and supplier of precision components with a focus on precision machining and hot forging; experience working with medical and dental products.	3450 Old Airport Road	Wooster	44691	http://unitedtitanium.com/	330-264-2111
US Materials Group	Manufactures and distributes labels and ribbons for use in the healthcare industry; products include patient belongings bags, sterile labels, cubicle curtains, blood bag labels and ribbon kits, prescription pharmacy labels and forms, and more.	9140 Ravenna Road	Twinsburg	44087	www.uslrgp.com	800-813-4827
Valley Tool & Die Company	Manufactures a full line of snap buttons and fasteners for telescoping tubing with applications in healthcare and medical equipment.	10020 York Theta Drive	North Royalton	44133	www.valcocleve.com	440-237-0160

Vancive Medical Technologies (Avery Dennison)	Produces a wide range fo adhesives, hydrocolloids, hydrogels, nonwovens and foams; products cover wound care, personal care, surgical, ostom, electromedical and diagnostic needs.	7100 Lindsay Drive	Mentor	44060	www.vancive.averydennison.com	440-358-2600
ViaSystems (TTM Technologies)	Contract manufacturer and designer of rigid and rigid-flex printed circuit boards; has experience working in medical diagnostic equipment and instrumentation.	7 Ascot Parkway	Cuyahoga Falls	44223	http://www.ttm.com/	330-572-3400
Vorti-SIV	Designs and manufactures sieves and filters for use in many fields including pharmaceuticals and laboratory work.	36135 Salem Grange Road	Salem	44460	www.vorti-siv.com	800-227-7487
Walton Plastics Corporation	Vinyl sheet and film extruder, producing plastic from resin compounds; products are used in thermoforming, graphic arts, building products, pharmaceutical, food processing and other industries and applications.	20493 Hannan Parkway	Walton Hills	44146	www.waltonpvc.com	440-786-7711
Weatherchem Corporation	Designs and manufactures plastic package closures for customers in the healthcare, personal care, consumer products, chemical and food products markets.	2222 Highland Road	Twinsburg	44087	www.weatherchem.com	330-425-4206
Welded Tubes, Inc.	Produces carbon and stainless steel tubing; medical and healthcare applications include polished hand rails for hospital beds, framework for wheelchairs, handles and posts on exercise equipment, and more.	135 Penniman Road	Orwell	44076	www.weldedtubes.com	440-437-5144
Western Enterprises (a Scott Fetzer company)	Supplies products for the control, storage and transmission of high-pressure gases to the industrial, medial and specialty gas markets.	875 Bassett Road	Westlake	44145	www.westernenterprises.com	440-871-2160
Wire Products Company, Inc.	Manufactures springs, wireforms, and metal and non-metal stampings for many industries, including medical.	14601 Industrial Parkway	Cleveland	44135	www.wire-products.com	216-267-0777

WRP USA	Manufactures and distributes quality gloves for the medical, dental, food and critical environment market.	3700 Massillon Road	Uniontown	44685	www.wrp-usa.com	330-896-1066
Yokowo America Corporation	Develops and manufactures components and assemblies used in a broad range of medical specialties including medical catheters and tubes used in minimally invasive treatments.	10000 Cedar Avenue	Cleveland	44106	www.yokowo.co.jp	216-445-4612
Zeno Medical, Inc.	Distributes hospital products to customers in operating rooms, surgical intensive care units, and outpatient surgery sites.	581 N Portage Path	Akron	44303	www.zenomedical.com	330-869-9946
Zircoa, Inc.	Engineers and manufactures specialty ceramic materials with applications including medical and dental products.	31501 Solon Road	Solon	44139	www.zircoa.com	440-248-8864
Toad Medical Corporation	Provides the custom Toad Anti-Gravity Foot Brace to completely unload the foot and ankle complex and eliminate pressure.	N/A	Cleveland	N/A	www.toadmedical.com	N/A
Transmotion Medical, Inc.	Produces mobile treatment chairs that eliminate the need to physically transfer patients from a chair to a treatment table.	1441 Wolf Creek Trail	Sharon Center	44274	www.transmotionmedical.com	866-860-8447
ACME Surface Dynamics, Inc.	Provides metal finishing services to customers in the medical, electronics, aerospace, and food processing industries.	540 North Freedom Ave.	Alliance	44601	http://www.acmesdi.com/	330-821-3900

Service Providers

Adelsys, Inc.	A biomedical engineering service organization specializing in the repair, calibration and preventive maintenance of medical and laboratory equipment.	1925 Lee Road	Cleveland Heights	44118	www.adelsys.com	216-932-7500
Advanced Platform Technology Center	Developer of prototype devices.	10701 East Blvd.	Cleveland	44106	www.aptcenter.research.va.gov	216-791-3800
American Contract Systems	Provider of packaging and sterilization manufacturing services.	85 Shaffer Park Drive	Tiffin	44883	http://amconsys.com/	877-926-3515

Arthur Goddard (FDA Regulatory & Quality Systems Consultant)	Assists medical device manufacturers & companies with QSR/ISO quality systems, regulatory affairs and 510(k) submissions.	N/A	South Euclid	44121	www.linkedin.com/pub/arthur-goddard/b/476/b99	216-233-5722
Balance Product Development, Inc.	Product development and contract design firm offering full service product development, including initial product definition, industrial design, and mechanical engineering. Provides services to medical as well as other markets.	3615 Superior Avenue	Cleveland	44114	www.balanceinc.com	440-247-4711
Belcan Engineering Group	Provides engineering services to a wide spectrum of industries, including medical.	28999 Aurora Road	Solon	44139	www.elcanengineering.com	440-349-5200
Bodycote Thermal Processing	Provides thermal processing for heat treatment services and metal joining.	5475 Avion Park Drive	Cleveland	44143	www.bodycote.com	440-473-2020
Cleveland Instrument Corporation	Offers standard instrument, tool, and equipment calibration, maintenance, refurbishment, and related metrology services.	6430 Eastland Road	Cleveland	44142	www.clevelandinstrument.com	866-952-6621
Dental Ceramics, Inc.	Dental laboratory providing a full range of aesthetically crafted restorations to local, national and international clients.	3404 Brecksville Road	Richfield	44286	www.dentalceramicsusa.com	800-647-8748
Diptech Systems	Provides dipping machinery for dip molding and dip coating to manufacture products such as gloves, catheters, balloons, stents, and more.	4485 Crystal Parkway	Kent	44240	www.diptechsystems.com	330-673-4400
Duray Plating Company, Inc.	Offers plating, buffing, and finishing for commercial and military aviation, nuclear defense, and medical industries.	13701 Triskett Road	Cleveland	44111	www.durayplatingco.com	216-941-5540
Eagle Laboratory Glass Company	Specializes in the fabrication and repair of borosilicate laboratory glass.	440 West Prospect Street	Painesville	44077	http://www.eaglelabglass.com/	440-354-8350

EPIC Technologies, LLC	Provides electronic manufacturing services to OEMs in the industrial control, automotive, medical, computer and telecommunications industries.	4240 Irwin Simpson Road	Mason	45040	www.epictech.com	513-234-5000
Extremity Development Corporation	An accelerator developing foot and ankle braces and small bone orthopedic surgical devices.	N/A	Cuyahoga Falls	44221	N/A	N/A
Fertility Solution	Specializes solely in semen analysis.	11811 Shaker Blvd, Suite 330	Cleveland	44120	http://fertilitysolutions.com/	216-491-0032
Frantz Tool & Design, Inc.	Offers high level plastics engineering and molding services. Offers inventors and early-stage companies the infrastructure to design, verify, and transfer to production new medical devices efficiently and cost-effectively.	7740 Metric Drive	Mentor	44060	www.frantzbiomarkers.com	440-255 1155
F-Squared Laboratories	Full service product conformity assessment organization; provides EMC Testing, Safety Testing, Performance Testing, and Radio Testing. Includes safety testing required by Medical Device Directive for medical electrical products.	16740 Peters Road	Middlefield	44062	www.f2labs.com	440-632-5541
Future Medical Laser Services, Inc.	Provides on-site service of medical laser equipment to healthcare facilities.	7230 Kinsman Road	Novelty	44072	www.futuremedical.net	440-893-9151
Genae Americas	A medical device contract research organization.	10000 Cedar Ave	Cleveland	44106	http://www.genae.com/en	216-445-4535
HWH Architects Engineers Planners, Inc.	Provides engineering and architectural services to the manufacturing industry, including labs, and research and development facilities.	1300 East Ninth Street	Cleveland	44114	www.hwhaep.com	216-875-4000
King's Medical Group	Provides a complete range of services and products supporting diagnostic imaging, including equipment, financing, management, marketing, construction, engineering and staffing.	1920 Georgetown Road	Hudson	44236	www.kingsmedical.com	330-528-1765
Krill Company, The	Provides construction services to Ohio's life science industry.	1275 Main Avenue	Cleveland	44113	www.krill.com	216-357-4777

Lakeside Solutions, Inc.	Offers advanced technology research and evaluation. Specializes in providing technical, product and marketing for a variety of industries including medical devices.	10215 Gottschalk Parkway	Chagrin Falls	44023	www.lakeside-solutions.com	440-665-9358
Laser Therapy Services	A boutique technology consulting firm with a focus on lasers, opto-electronics, and microelectronics.	5233 Maple Springs Drive	Chagrin Falls	44022	http://www.lasertherapyservices.com/home	440-785-2298
LNE Group	Government relations firm serving the needs of its clients at federal, state and local levels. Clients include those in the medical products and bioscience sectors.	1701 East 12th Street	Cleveland	44114	www.lnegroup.com	216-781-9000
Mabel Dental Lab	Full service dental laboratory offering comprehensive treatment planning for all implant and attachment cases.	2000 Brittain Road Suite 91	Akron	44310	http://mabeldental.com/	234-678-5340
Mercury Plastics, Inc.	Supplies custom thermoplastic extrusions, extruded plastic profiles and specialized fabrications to customers from diverse industries including appliances, automotive components, medical equipment, building products, plumbing supplies, commercial refrigeration equipment and office furniture.	15760 Madison Road	Middlefield	44062	www.mercuryplastics.com	440-632-5281
Metcalfe Group, The	Full service professional design firm helping companies conceive, design, develop, engineer and test innovative new products. Serving clients in the bioscience industry as well as other industries.	30405 Solon Road	Solon	44139	www.metcalfegroup.com	440-349-5995
Micro Laboratories, Inc.	Calibration service company that performs a wide variety of gauge calibrations for the medical, aerospace, automotive, nuclear, and commercial industries.	7158 Industrial Park Boulevard	Mentor	44060	www.microlabs-inc.com	440-918-0001

Nottingham-Spirk	Product development group working with major companies across many industries; operates a facility that allows the company to vertically integrate the processes of inventing, designing, engineering, and rapid prototyping of innovative consumer products.	2200 Overlook Road	Cleveland	44106	www.nottinghamspirk.com	216-231-7830
NSL Analytical Services, Inc.	Independent commercial materials testing laboratory.	4535 Renaissance Parkway	Cleveland	44128	www.nslanalytical.com	216-475-9000
Ohio Lumex Company, Inc.	Offers a wide range of services from field and in-house training to unit calibrations.	9263 Ravenna Road	Twinsburg	44087	www.ohiolumex.com	330- 405 0837
Omnitek, LCC	Engineering design service company serving medical and other markets; specializing in electronic engineering design from concept to finished product.	26650 Renaissance Parkway	Cleveland	44128	www.omnitekllc.com	440-229-6290
